Put simply, the calcutta is an opportunity to have a punt on the winner of The Open.

The event begins with the Draw, which is basically a raffle. If your ticket is drawn out of the hat you will win a group of golfers.

The groups of golfers are then auctioned, with the aim to buy the group with the winner of The Open.

Anyone can buy a group. The person who won a group in The Draw will only have to pay half price if they buy the group or will get half the bid if someone else buys the group. At the end of the weekend you may receive a great pay-out.

If this is confusing, don't worry, all of the rules will be explained at the event.
